[Click Here for Rapattoni Quick Search Video](#)

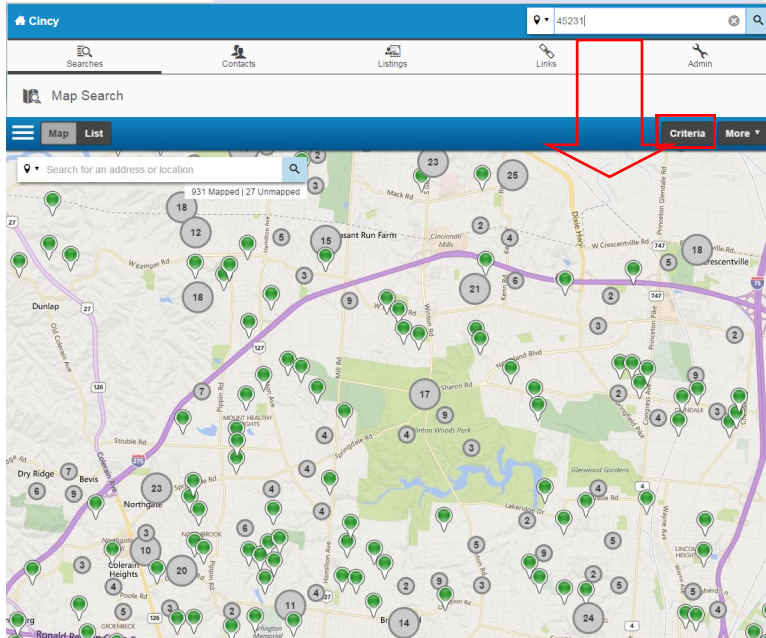

Tap the Quick Search MLS ICON at the top of the page to search by Location (Address, City/Municipality or Zip), or Specific MLS Listing Number | Tap the down-arrow to select type of Quick Search
Default Quick Search is the MLS Listing Address - Location Search

MLS Address Search (Use Standard Search for Multiple Addresses)

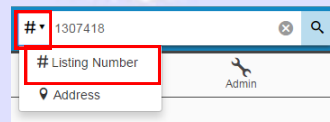

Zip Code, City/Municipality Location Search

► Tap the "Criteria" Button to filter the results using additional criteria

[Click Here for Rapattoni Feature Tour Video](#)

Alternatively Tap the "down arrow" and tap "# Listing Number" to enter a MLS# (Use Listing Number Search for Multiple MLS#s)

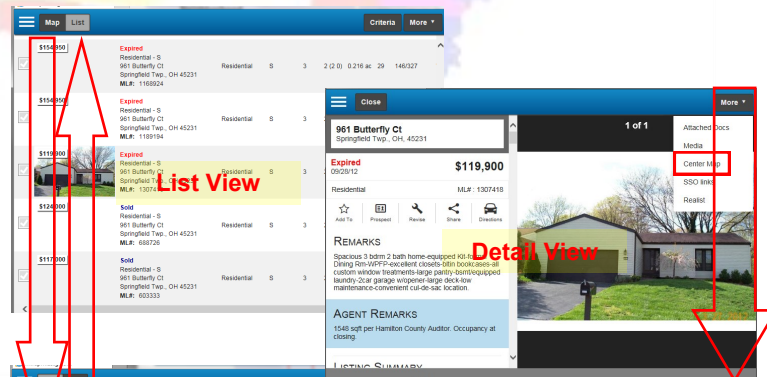

Tap "Address" to zoom in & display a specific MLS listing Address or Location (Default Quick Search)

If there are multiple Search results the "List" page is viewed

If there is only 1 result, the "Listing Detail" page is viewed

If the search is Location by Zip Code or City/Municipality the results are viewed on the "Map"

Map View

► **Hint!** Tap the List Button to switch to "List" View (and Tap the Map Button to switch to "Map View") (see next page)

► **Hint!** From the Detail View, tap "More" and then select "Center Map" to view map centered on listing, tap "Criteria" to enter search criteria! Quick and easy nearby listings and/or comps! (see page 3)
