

Where is the Form I Need?

Don't know where to find a form? Unsure whether it is an MLS form or if it is offered through the Association?

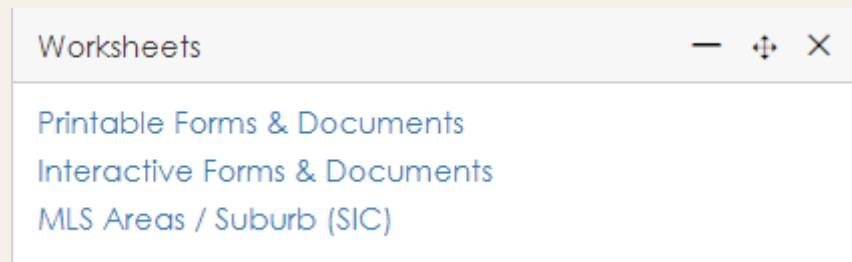

Boards and Associations offer contracts and forms related to the purchase and lease transactions that are primarily used between the brokerage and a client or between buyers/lessees and sellers /lessors. CincyMLS does NOT offer contracts.

CincyMLS.net has the forms to facilitate entering and maintaining listings in the MLS, electronic keybox system, and MLS membership. Use the appropriate tab at the top of the webpage to find the form you need.

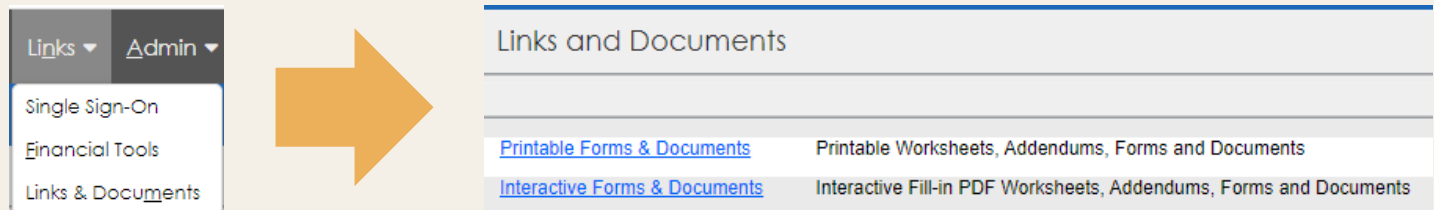

MLS forms can also be accessed two ways after logging in to Rapattoni MLS.

Use the Worksheets widget on the dashboard. If you can't locate the widget, open settings to add it.

OR

Use the toolbar at the top of the dashboard, selecting Links > Links & Documents > Printable or Interactive Forms.

Check the forms often for the latest version.
