

# ACCESSING A SENTRIGUARD® KEYBOX

There are multiple ways to access a SentiGuard key container by both SentiLock subscribers and non-subscribers.

## TO ACCESS USING SENTRIKEY REAL ESTATE APP

### **Bluetooth®**

Launch your SentiKey Real Estate App and simply press the enter button on the keybox. Enter your ID or authorize your facial recognition and the key compartment will open.

### **Touch-N-Show™**

Launch your app and tap the Touch-N-Show™ button. Press continue and tap your phone to the sensor on the lower half of the keybox below the zero. You will see a flashing green light and the key compartment will open.

## TO GRANT ACCESS TO NON-SUBSCRIBERS

### **FlexCodes™**

Launch your app. Tap "My Lockboxes" and then "My Access Code" to select the keybox. Assign the name of the person receiving the code and a start/end date and time. Tap "Get One Day Code" and follow the prompts. The app will generate a unique code. Tap the share icon in the upper right corner to send the code with instructions via text or email.

### **SentiConnect® (a restricted app for non-subscribers)**

Launch your app. Tap "My Lockboxes" and then "Grant SentiConnect" to select the keybox. Enter the SentiConnect® user's email address, and select the start/end date and time. Tap "Grant Access" and follow the prompts. If the user is new to SentiConnect®, an invitation and instructions will be sent to the user.
