

HOW TO RUN A RANKING REPORT

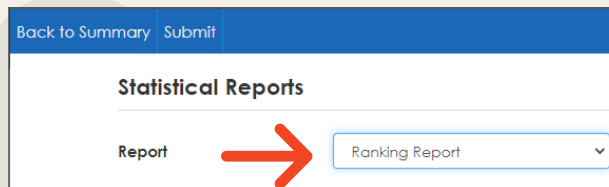

Want to know how you rank against your peers?
Use a Ranking Report.

Perform a property search choosing the criteria by which you want to be compared. Example: Single Family Homes sold in a particular school district in the last 12 months.

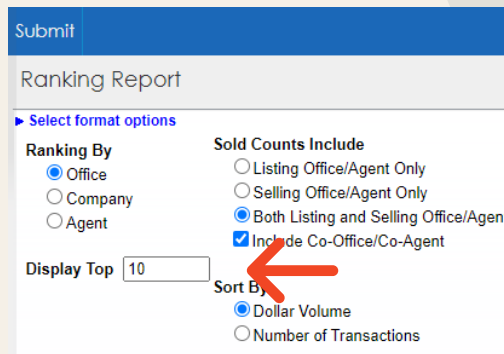

Select "Statistics", then "Reports" on the blue bar.

Using the dropdown menu, select "Ranking Report" and click "Submit".

Choose the format options and enter the number of results you want returned (Top 10, 100, 500). Click "Submit".
